

Honestly, between you and me? There are few things finer than a glass of ice-cold root beer on a warm day. Even on a cool day. It's a taste that tickles the tongue, and if you don't like root beer, well, that's okay too. But there's something besides the snap of real sarsaparilla that gets us going... Money. 💰 💰

Now, root beer might be an acquired taste, but extra money? That's a flavor for all seasons. Balanced, mellow, and delicious. We're willing to bet that even if you'd pass on a root beer float, you'd be happy to get some extra money. Who wouldn't? So here's the deal: **We're running a sales promotion during AEP.**

Now that we've lured you in with the promise of more sweet, sweet, root beer-related content, we're gonna spill all the details. (Details are much easier to wipe up than root beer, and they attract fewer ants, too. Bonus! Subscribe for more hot tips!)

On top of the great commissions, we offer every single day, you can make EXTRA MONEY selling NCD products during this year's AEP.
