WoodmenLife® Medicare Supplement Insurance

The Value of Financial Peace of Mind

When it comes to Medicare Supplement insurance, choosing a plan that fits your specific needs is important. WoodmenLife offers several plan options that can help you fill some of the gaps in Medicare coverage. You can choose any provider that accepts Medicare, at a location that is convenient for you. Plus, when you purchase a WoodmenLife Medicare Supplement plan, you become a member, which grants you access to exclusive member benefits.

A Medicare Supplement Insurance Policy Helps You Manage Your Health Care Expenses.

Fill the Gaps

Medicare provides beneficial coverage for health-related expenses, but it does not cover all health care expenses. There are a number of gaps in Medicare coverage that you need to pay for out-of-pocket or with private insurance. A Medicare Supplement plan is a health insurance policy (also called Medigap) sold by a private insurance company to help fill in some of those gaps.

Know Your Options

Although private insurance companies provide Medicare Supplement coverage, Medicare Supplement insurance plans are strictly regulated by both the federal and the state government.

It's important to make an informed decision about what's right for you. Before you apply for a plan, get to know what the coverage includes. Then choose a Medicare Supplement plan that best fits your needs.

Take Care of Yourself

A Medicare Supplement plan helps you manage and budget your health care expenses with predictability and stability. A Medicare Supplement plan helps pay some of the out-of-pocket costs for Medicare-approved services and works with Medicare to provide more coverage to you.

Feel Good About Your Choices

Our Medicare Supplement plan has no restrictive networks. You can visit the providers of your choice, including primary care physicians, specialists and hospitals that accept Medicare patients.

Most providers are paid automatically, so you won't have to worry about filing a claim.

Choose Your Own Plan

WoodmenLife offers Medicare Supplement plans A, F, G, and N with varying amounts of coverage — Plan A provides basic benefits, and Plan F offers more comprehensive coverage.

Premiums will vary according to the amount of coverage provided by each plan. You may be eligible for a household premium discount. Reference the application for more details. Here are the benefits included in each plan:

***Plan N requires a \$20 copay for office visits and a \$50 copay for emergency room visits. Copays do not count toward the annual Part B deductible.
