# Cigna Healthcare Choice Hospital Indemnity insurance

**IMPORTANT: This is a fixed indemnity policy, NOT health insurance.**

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care. The payment you get isn't based on the size of your medical bill. There might be a limit on how much this policy will pay each year. This policy isn't a substitute for comprehensive health insurance. Since this policy isn't health insurance, it doesn't have to include most federal consumer protections that apply to health insurance.

**Looking for comprehensive health insurance?**

Visit [HealthCare.gov](https://www.healthcare.gov) or call **800.318.2596** (TTY: 855.889.4325) to find health coverage options. To find out if you can get health insurance through your job or a family member's job contact the employer.

**Questions about this policy?**

For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](https://www.naic.org)) under "Insurance Departments." If you have this policy through your job or a family member's job, contact the employer.

The future is unpredictable, but your financial health shouldn't be. Gain peace of mind by protecting yourself and your family from out-of-pocket hospital expenses with a Cigna Healthcare<sup>SM</sup> Choice Hospital Indemnity insurance policy.
